

# 2023 GNOCCSL Championships Volunteer Assignments

## S/T Judges

<p><b>Session 1</b> - ALL S/T must report to the officials meeting. They are assigned as partners (intended to swap out with each other). They will <u>not</u> have to work the entire session if everyone shows up. If the team they are partnered with isn't there then they have to work that position the entire time.</p>	<p>JCC/NOLTC SYC/MCC MIM/CLCC NOCC/GRCC</p>
<p><b>Session 2</b> - ALL S/T must report to the officials meeting. They are assigned as partners (intended to swap out with each other). They will <u>not</u> have to work the entire session if everyone shows up. If the team they are partnered with isn't there then they have to work that position the entire time.</p>	<p>MIM/CLCC SYC/JCC PT/CLCC GRCC/CCC</p>

\*\*\*\* This is a requirement for teams. If you do not have a s/t judge available I suggest you swap with another team for a timing slot. It is up to you to seek out another team to help fulfill this expectation.

**Session 1:** Clerk of Course - Leslie Merrit (PT) and Lizzy Lacassagne (CCC)  
All teams must send an assistant coach to help lead swimmers to the blocks.

**Session 2:** All teams must provide a parent to assist with the awards sort. They report to Leslie Merrit (PT) who will give them direction. They will be able to walk and watch the competition while doing this.
